# The Greatest

Leave the world of limitations behind

and instead be a part of the Greatest Show On Earth. It's easy to say that M.E. LaZerte is a circus; a circus filled with different styles from around the world and with students who live for something dazzling, spectacular, and wondrous. You'll be drawn to the performances of the magic of chemistry class and the fortune tellings of the counselors to the invigorating lunch time events and lion taming administrators. It's a show you wouldn't want to miss, so take a deep breath and step inside to experience the Greatest Show On Earth.

# S. onel Spirit

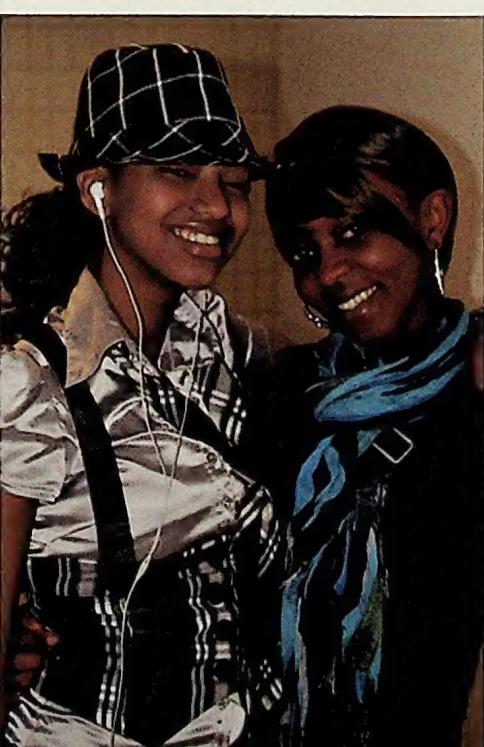

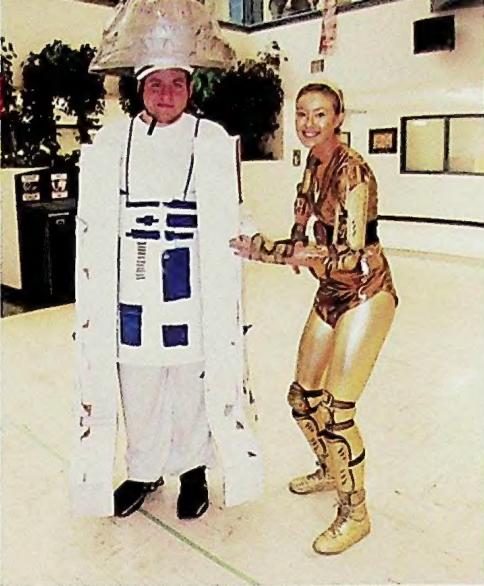

## At M.E. LaZerte.

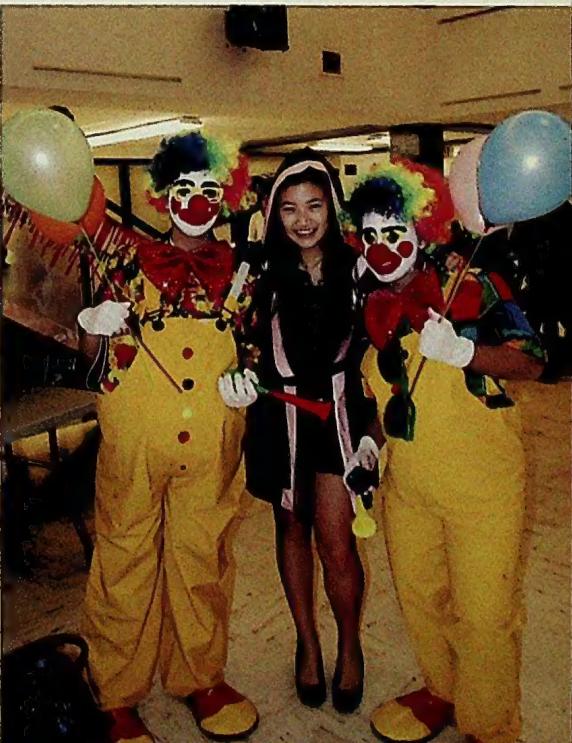

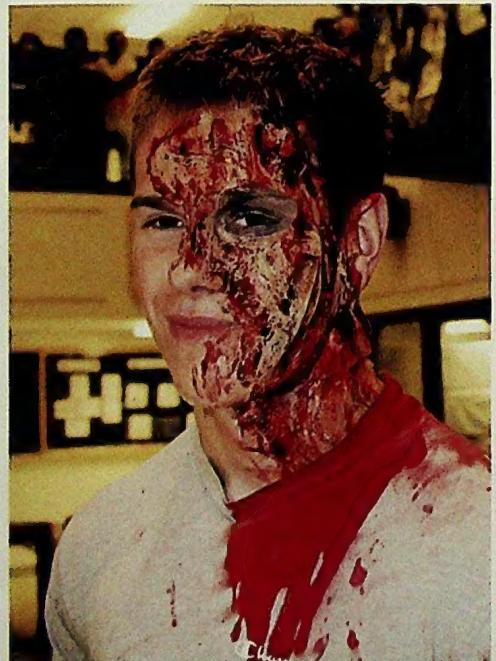

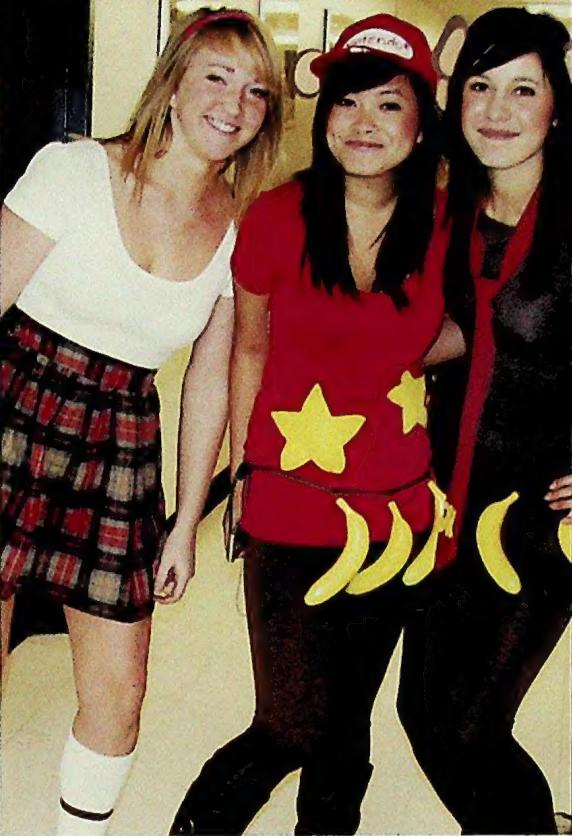

our school spirit is not only embodied during playoffs or championships, but the student body portrays their Voyageur pride throughout the year both outside and in the classrooms. We like to support our students no matter what their skill and encourage them to pursue their aspirations. At ME LaZerte we take pride in all of our hard work and celebrate our achievements together.

**October brought a month of ghosts, ghouls and very creative costumes.** Although Halloween fell on a Saturday this year, it did not stop M.E. students from dressing up on Friday to show off their spooky spirits. The costume contest this year included R2-D2 (John Rota) and 3-CPO (Tamara Cannu) from Star Wars, Playboy bunnies (Mallan Roberts, Mike Rehill, Edward Grover and Yusseff Mimouni) with Hugh Hefner (Connor Kapt) and even Lady Gaga (Rachelia Pawluk). The costume contest was won by bestfriends Chade Salame and Fareedon Muradi, who dressed as cheerleaders; stealing the contest from the playboy bunnies and Ms. M.E. LaZerte with their funny cheers, dances and bring it on attitudes.

At MELaZerte, there is an annual contest held amongst our fellow Voyageurs in the battle to achieve the standing of LaZerte Idol. In the beginning, there are many contestants that are up to the challenge of reigning victorious, but in the end only one group will dominate the stage with the true presence of an Idol. This year's competition was the most challenging of them all and it proved that our school is bursting with talent, but ultimately the winner was chosen. The dominating duo, Natalia Kostiuk and Melissa Wojtiw, truly showed that they had the talent, ability and presence to be named LaZerte's Idols for 2009. Congratulations to the winners and all the participants of LaZerte Idol; you drew an amazing crowd and really showcased LaZerte's abilities outside of the books.

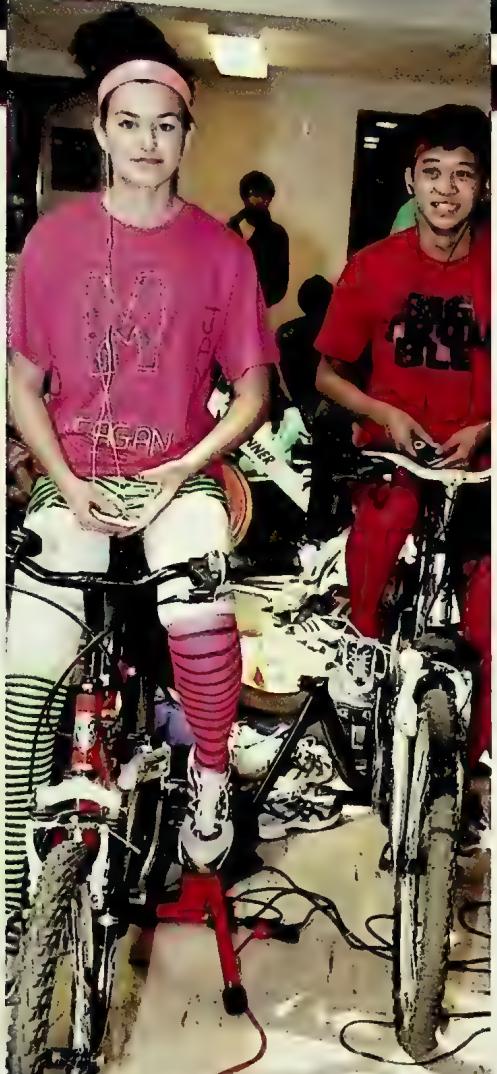

### Participating in

LaZerte Idol was exciting and it meant so much to us because we got to sing together. We were so nervous the first time we went up on stage but after, we realized that it was completely worth it! We are both fortunate to have one another and we look forward to other challenges that may come our way.

# tri 4 Cancer

Tri 4 Cancer accompanied the Cops for Cancer campaign to raise a whopping \$25,813.26. Almost 150 students in 36 teams competed in the triathlon which consisted of a 2,000 meter swim, three-hour bike ride and a 20-kilometer run. Each team raised at least \$500 in order to compete in the annual fundraiser. Thank you to all the students that participated and dedicated their time to help raise money for the Canadian Cancer Society!

# Christmas

Nearing the winter break, the students of M.E LaZerte started celebrating their Christmas by enjoying the festivities that were happening in the atrium. Many students took pictures with an enthusiastic Santa, made a wishlist, strung a popcorn garland, and took part in an unwrapping present contest. In addition, another successful Inner City Christmas Party the was planned by Linley Trac was held at M.E.

M.E. LaZerte's multicultural atmosphere plays a role in the immensely successful Taste of LaZerte. The show starts off with the spectacular tasting of the foods of the world. The dazzling performances enraptured the cheering audience. This annual event brings all the students and staff closer and provides the opportunity for everyone to embrace each others cultures.

taste of lazerte

Normally during spring break, students take their focus away from school and learning. Unlike the aforementioned students, the Voyageurs travel across the globe to indulge in acquiring a deeper understanding of the world around them.

This year we were fortunate enough to venture through the continent of Europe; one group making stops in France and Spain and the other in Germany and Poland. Some of the highlights of France were taking a river

ride on the Bateaux-Mouches, visiting the Eiffel Tower, the Louvre, Versailles, and Musée d'Orsay as well as many other historical sites. LaZerte students also visited places that typical Parisians would visit in their daily lives.

From taking the metro to get around town to eating crêpes filled with everything from Nutella to chicken and eggs. On the Germany and Poland trip the group travelled through famous places with regards to the World Wars. As well as experienced

and saw first hand some of the places where the influential people of that time period took part in their world renown roles.

On all the trips people ventured outside of their comfort zones in many different ways by either speaking their second languages to fluent speakers or trying foods that they would not normally be exposed to back in Canada. Through taking these risks the students spent their break not only learning new things but loving learning it.

## "Welcome Back Week"

had welcoming and exciting activities. An inflatable obstacle courses, Root Beer Gardens and many Wii games were showcased. Club Day was able to show everything that M.E LaZerte had to offer and gathered many new members for returning and new clubs.

Celebrating Eid Mubarak with the entire school was an amazing experience and allowed the Muslim culture to show everyone at M.E their traditions. It also gave an opportunity for students to have a tasting of a traditional meal.

Gear Up and Grill was an exciting new way to allow new and old students to introduce their parents to their new teachers.

M.E. LaZerte hosted many themed days like Think Pink and Voyager Day. It allowed the students to show off school spirit!

Students' Union and the TEAM Leadership had their first retreat to get to know everyone and to make plans for the school to have an amazing and fun 2010. 

Teachers vs. Student Volleyball

During October our achievements at LaZerte were celebrated in various ways. The victors of the volleyball intramurals faced the team composed of teachers. As well this years current women's basketball players played against the Alumni team that attended LaZerte years ago. Their team played this exhibition game against our girls' team to prepare themselves for an upcoming tournament in Australia. Having different generations of Voyageurs on the court at the same time showed true Voyageur spirit and showed that young or old, the Voyageurs will rise up,

put forward their best effort and ultimately be relentlessly determined to succeed in their endeavors. To help keep up the school spirit and support our sports teams LaZerte had their semi-annual pep rally. Our mascot MEL, students, teachers, and athletes alike joined together to create a roaring atmosphere of supportive and energetic individuals that all support our sports teams, their commitment and their determination to represent our school in the best way possible. Not only do we have athletic achievements at our school, but achievements based on academics and

volunteerism are also recognized. ME LaZerte students take pride in their work and it shows when we recognize students for their contributions, and promote our students to strive for their best and in the masses of students that annually attend awards night it is evident that the Voyageurs do their best everyday and our efforts won't go unnoticed.

Dodgeball

# november

After everyone overindulged in their Halloween treats a shove in the right direction was exactly what we needed. Our Healthy ME Fair couldn't have come at a better time in the year. LaZerte's Healthy ME Club helped organize this event to help promote healthy choices and an active lifestyle. There were many events that ranged from an obstacle course to free healthy food and everything in between, everything healthy that is. Since physical activity was a main part of the Healthy ME Fair many students participated in the dodgeball intramurals. Dodgeball is always a unique intramural competition because unlike the other intramurals particular students don't have extreme advantages over others, because there are no official dodgeball teams in our school. This allows more students that would otherwise be intimidated by the sports teams participating, to play, have fun and be active. Another activity that happened in November was the event called "Stuffies for Puppies" which, with the help and donations of students and staff, collected stuffies for animals housed at the Edmonton Humane Society.

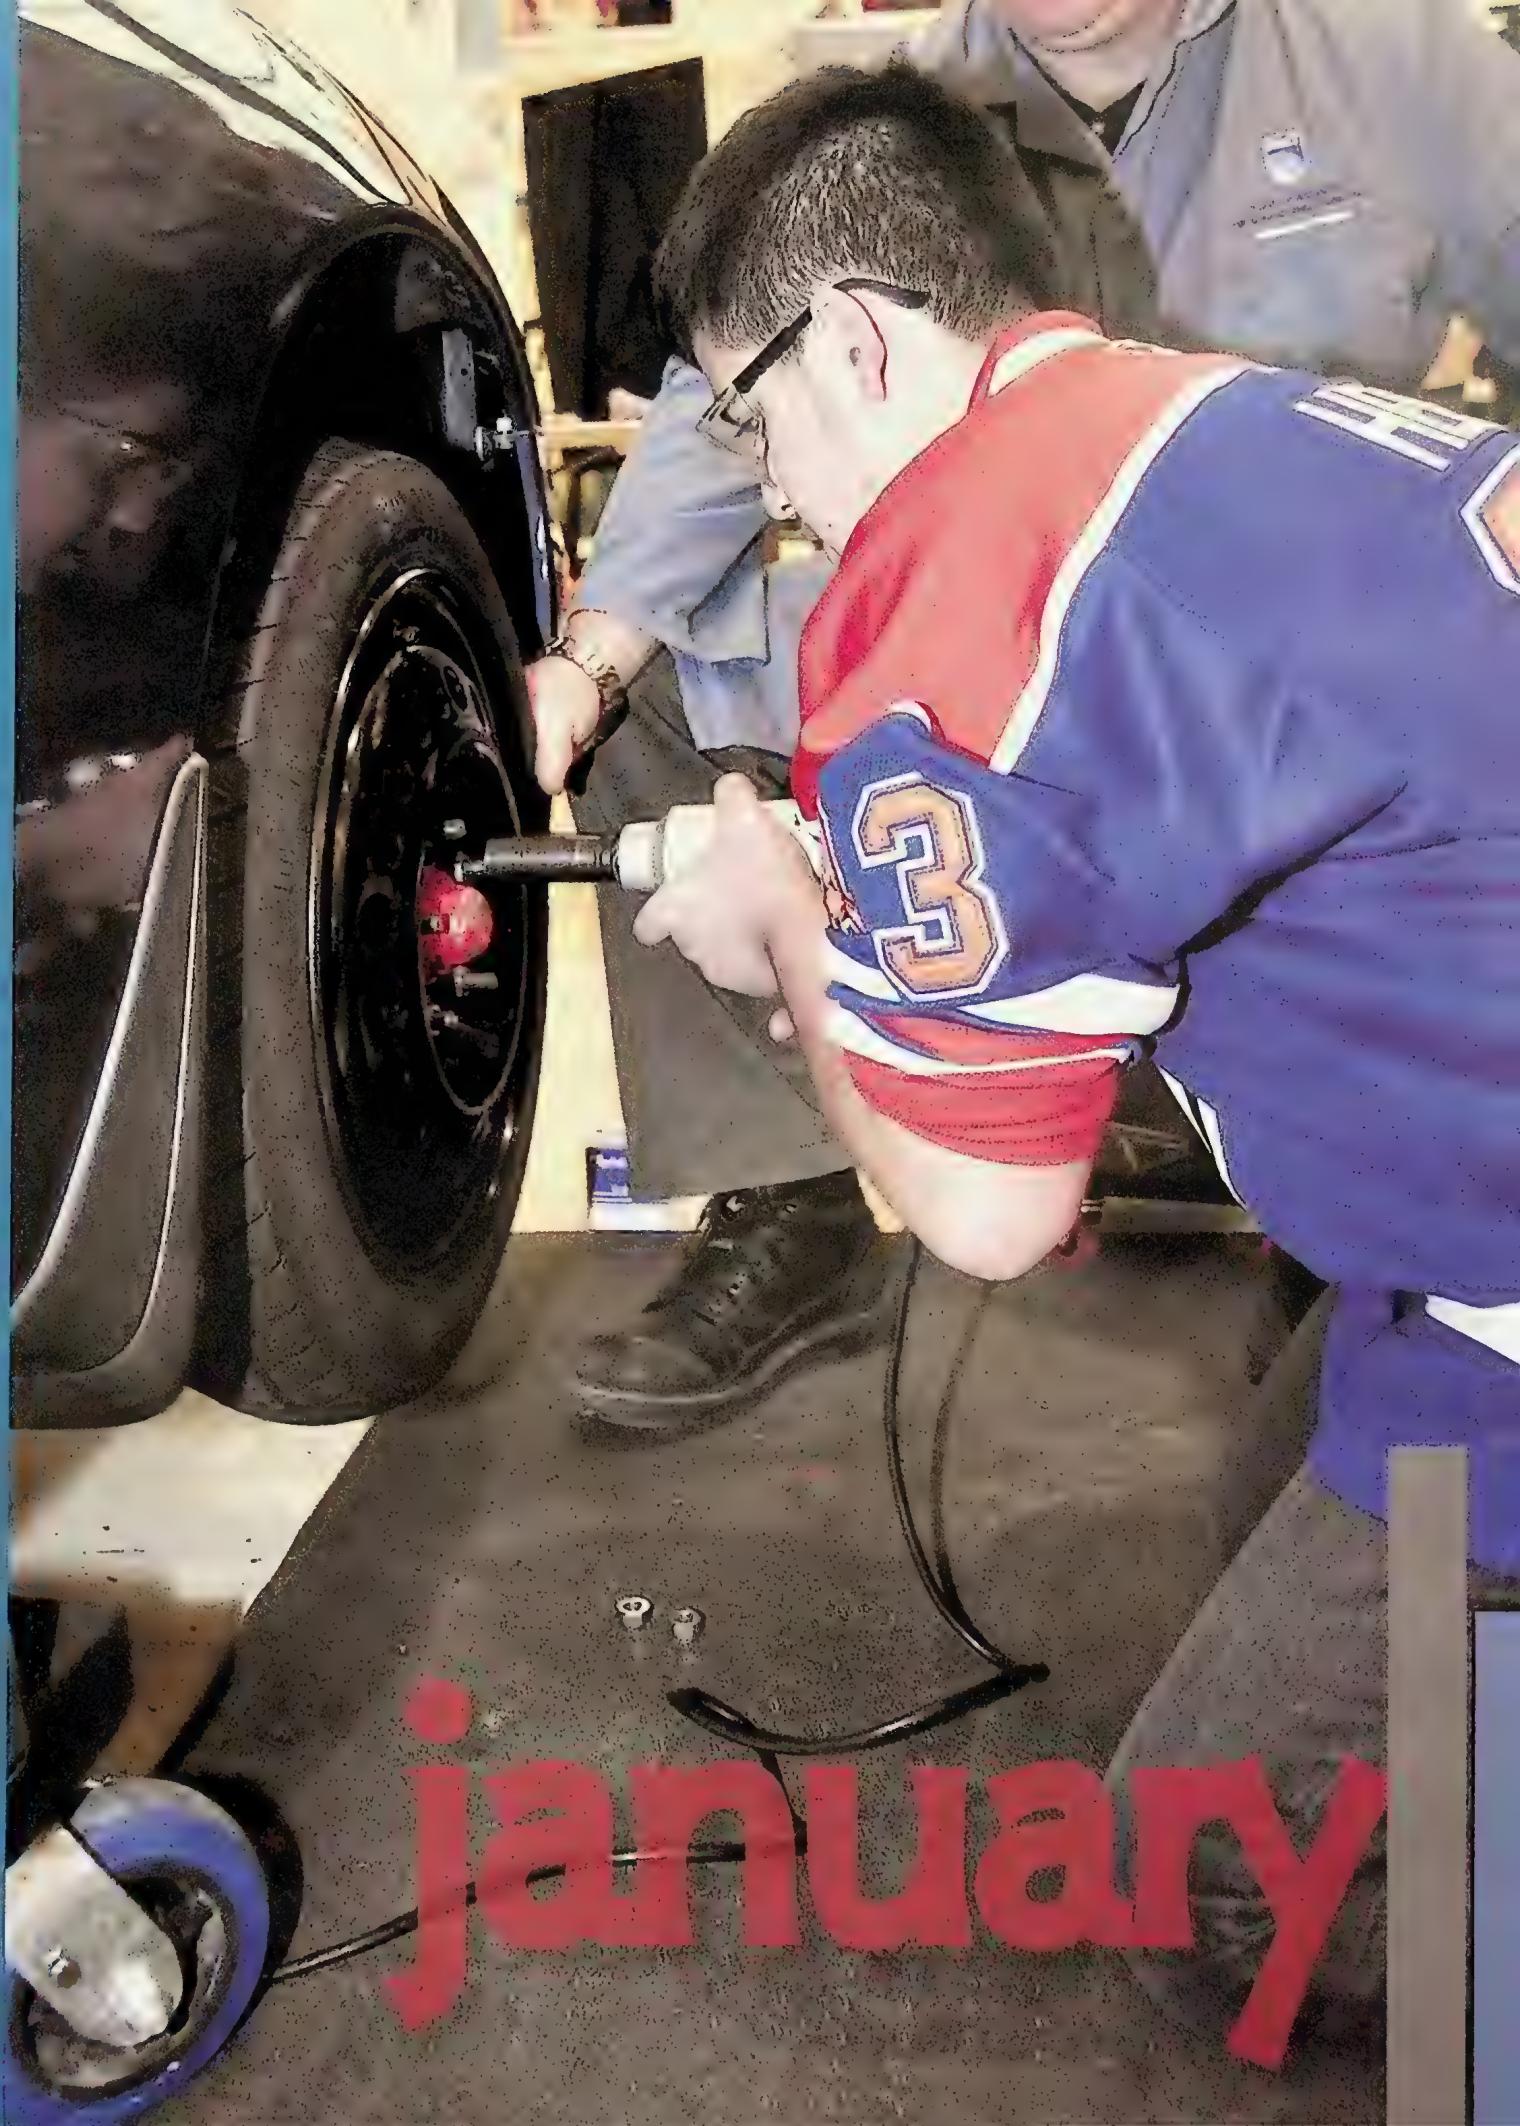

The holiday season is based upon the idea that giving is better than receiving. In ME LaZerte, we embody this idea to the fullest all year round, but especially during the holidays. Our school hosts an annual Christmas Party for the Inner City kids. This event takes over one hundred hours of planning and volunteering and our students are ready and willing to do so. The school gets transformed into a winter wonderland and everyone has a jolly good time.

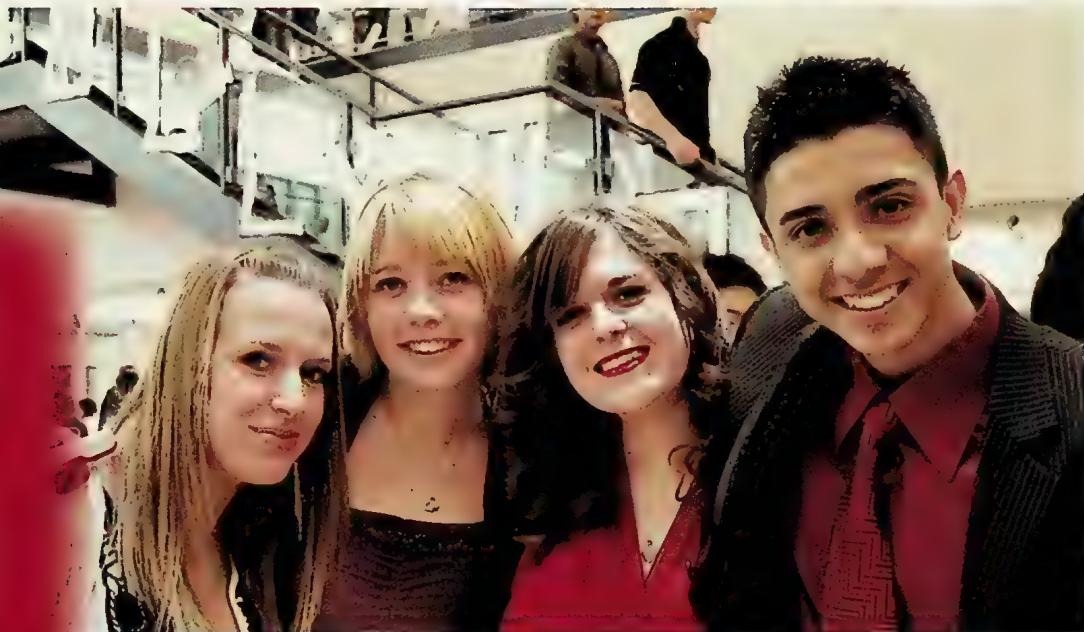

Not only do we put on the Christmas party, but LaZerte Students also are mentors to students from neighboring elementary schools. They spent time over the holiday season with their mentor buddies and all had a marvelous.

READY

To celebrate Chinese New Year, students taking the Chinese Language courses painted different pictures on tiles in order to commemorate the "Year of the Tiger."

Also, the Winter Olympics rolled into Canada and LaZerte celebrated this occasion with an indoor hockey shootout and with MEL running in the halls with an "Olympic Torch."

Another popular event that occurs annually in February is LaZerte's Touch of Class. Not only is the décor of the atrium vamped up, but the high class Hollywood atmosphere envelops the entire school. From dazzling dresses to dapper tuxedos, it was evident that the excitement of the event was contagious amongst the staff and students.

A group of seven young women of various ethnicities are posing together behind a large, ornate banner. The banner features the word "February" in large, gold-colored, serif letters. Above the banner, there is a decorative element resembling a white, stylized bird or flower. The women are dressed in a variety of styles, including dark blazers, a green patterned top, and a white dress. They are all smiling and appear to be at a formal event.

# march

The atmosphere surrounding the Olympics was brought to ME LaZerte when Shannon Szabados visited along with her Olympic gold medal. Being a LaZerte graduate herself it was great to have a role model put into context for the students. Not only are we proud of her accomplishments it also caused students to think of what kind of impact they would like to have on the world in their future. Our schools talents and positive energy were also demonstrated through the competitors and fans that made our annual event, Stomp the Atrium, a great success.

Our school is filled with very talented dancers of all styles and backgrounds, varying from a lifetime of technical training to self acquired skills. The competition is always lively and the fans get enveloped in the event, they even made posters to support their favorite performers. Another talent that is expressed at our school is through the cosmetology students and during March the mayor Stephen Mandel came in to get a manicure, done by none other than our LaZerte students.

March was filled with high energy from the student body as well as friendly competition showcasing LaZerte's talented students. The celebrity visit from Shannon Szabados showed students that if they follow their dreams with intent and commitment they can achieve their goals, and hopefully she helped students see that achieving your aspirations is a reality that can be accomplished through hard work and dedication.

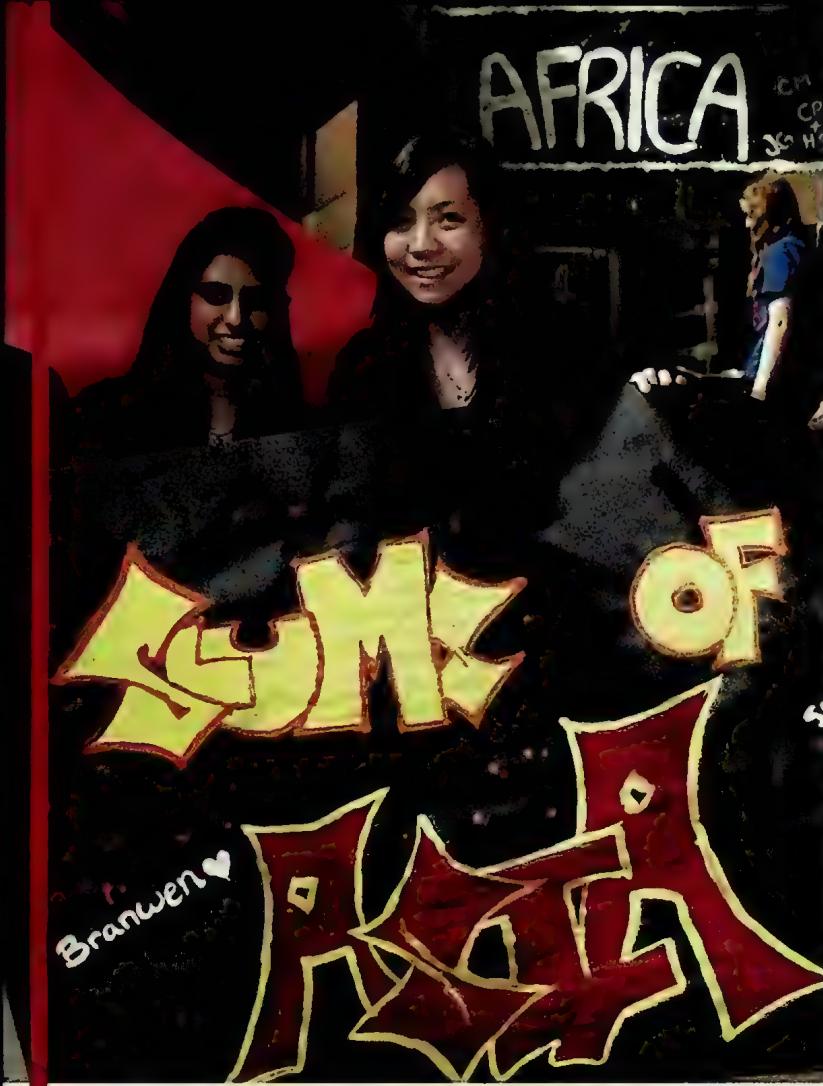

Big Brothers Big-Sisters

In April, our school holds an annual celebration by the name of "Taste of LaZerte". It allows students to become aware of, and experience all of the various cultures present at our school. Students choose traditional foods that best represent their culture and then serve it to allow other students to try a variety of ethnic foods that they probably wouldn't otherwise be exposed to. After the students indulge in a cornucopia of ethnic food and then everyone heads to the gym to watch the whirlwind of ethnic dancers from various cultures. There are many jumps and lifts, fancy footwork,

and crazy combinations that make the dancing portion of the event one of the highlights. This event gets attention from all of the students here at ME LaZerte as well as across the city. Other schools envy our multicultural event and wish that they could host an event of this magnitude. Our school has twinned school in Lviv, Ukraine and this year the students from Ukraine came to our school as part of an ongoing exchange program. This exchange also made the local news on CTV's School Zone and showcased our school's variety in language programs.

Along with the recurrence of Banana Bonanza, new events were created this year and many of them occurred in the month of May. This year, a new event, 30 Hour Famine was launched to allow students to empathize with the millions of people that go days and weeks without food. Not only did the participants in the 30 Hour Famine feel what it was like to go without food for over a day, they also raised a great sum of money that was donated to World Vision in support of those people that don't have the guarantee of a meal every day. Our students frequently help support various organizations through volunteerism and fundraising. Another new fundraiser was launched to help provide children in Sierra Leone with the opportunity to have access to education. A great deal of school supplies was collected to help support the students in Sierra Leone and it could not have been done without the support of every single student at ME LaZerte. Our school's concern with global issues and our drive to make a difference really makes LaZerte a wonderful place to be.

# June 2010

At LaZerte we always end the year in a big way. The balance between having fun and supporting others was really found in the month of June. Students raised money to support those touched by cancer and in turn shaved off their full heads of hair, and some males waxed off their leg hair for the cause. The two sisters that raised the most money through tireless fundraising were, Senobia and Fauzia Gova (shown above). Not only did they raise tremendous amounts for an amazing cause, they also shaved off all of their hair, and they didn't have short hair to begin with. They shaved off around three feet of hair each and for most girls this would never be something attempted, but they faced it with great courage. After the students committed to helping with this cause and since the year was coming to an end, a celebration was in order and a celebration there was. Lazerte's

Carnival on the last day of school was full of great memories and a great way to just let go after a year of hard work and focus. The student's got the opportunity to dunk their teachers and administration in the dunk tank and wrestle each other in the comical sumo suits. Over a delicious burger and other various treats students discussed their experiences throughout their time at ME LaZerte. Though the school year came to its' inevitable end, there was definitely a fun and vibrant atmosphere created that helped us enjoy our last day at school to the fullest.

the ring masters

conductors of the  
**show** . . .

M.E. LaZerte is truly the greatest show on Earth. Why is MEL the greatest show on Earth? It's because of the amazing students that attend our school and their school spirit that is demonstrated throughout the year. Students and staff work hard, play hard, and celebrate together amazing achievements. MEL students and staff truly demonstrate their spirit, and school pride through their generosity and work in the community. From the Inner City Xmas Party, Christmas Hampers, Homeless Connect, Edmonton Humane Society, Tri for Cancer, makeovers for seniors, salon services to military families, CIBC Run for the Cure, and the list goes on, our school members embody what it means to be a voyageur. I am so proud of our students and thrilled to have an amazing staff that exudes the qualities of a MEL Voyageur. I am honored to be the principal of the greatest show on Earth.

LaZerte is a terrific place to work. Voyageurs are adventurous and hard-working, but they also know how to celebrate and find the joy in all situations. I am continually amazed at the academic achievements of our students as well as the myriad of ways they give back to the school and greater community. I am proud of all of you who pursue your passion and dreams every day. Don't forget to let us know about your next accomplishments and come back and visit.

What an amazing year we have had here at MEL! With the guidance of our staff and support of their friends and family, our students have won many awards and accolades for their talents and skills in academics, athletics, the arts and student leadership. I am particularly excited that we have started the process to become a UNESCO (United Nations Education, Scientific and Cultural Organization) Associated School. Schools in this network work in support of international understanding, peace, intercultural dialogue, sustainable development and quality education in practice which is exactly what we have been doing here at MEL! From the Youth Environmental Symposium, Taste of LaZerte and Healthy ME Fair to Homeless Connect, Habitat for Hounds and Projects for Peace, our students and staff embody the values of responsible global citizenship and it makes me very proud to be a Voyageur. Keep up the great work, team!

I love that our students consistently demonstrate the Voyageur characteristics of respect, responsibility and perseverance. Our amazing staff is a team united to provide students with a positive learning environment and opportunities for growth academically, artistically, athletically and socially. What is particularly exciting to me is that our health and wellness initiatives continue to inspire staff and students. Research tells us that proper nutrition has a direct impact on the success of our students in the classroom and our Healthy ME staff committee continues to move forward in the area of nutrition education and healthy eating in our school and this year they have been joined by a student committee. From holding events which incorporate physical wellness such as the plank-a-thon to monthly and weekly nutrition information updates via Voyageur News, Healthy ME Bulletin Boards and Staff News, health and wellness are promoted consistently. Together we are committed to making MEL a healthier school and I couldn't be more proud.

During the time I was at M.E. LaZerte this past year, was both exciting and memorable. As I watched you continue through your journey in life, I too was excited about my journey anxiously awaiting the arrival of my son, Trent Mulder Scott. Although I am on maternity leave, I still marvel at the exciting events happening at M.E. LaZerte and the amazing achievements of our students. I continue to offer all of you one piece of advice. As you journey through high school and then beyond into further education and the world of work, remember not to give in to either fears of failure or fears of success. There is no harm in trying anything and seeing what you are capable of. You most definitely will surprise yourself.

The Senior Girls had an exciting and successful 2009 season. One of the season's highlights was our trip to Honolulu, Hawaii to play in the 2009 Maryknoll Thanksgiving Challenge. The girls had an opportunity to explore the island culture and enjoyed many activities such as snorkeling, swimming and shopping. They played some great volleyball and made many memories that will last a lifetime.

#### **roster:**

Katie Serediak, Jessica Derewlanka, Shelby MacKenzie, Tanya Pacholok, Heather Hornung, Christine Tanzi, Michelle Hoang, Josephine Chung, Vickie Thai, Shelby Deep, Alissa Thompson

For the rest of the season, the girls' determination and hard work paid off as the team advanced to the semi-final game against Vimy Ridge. Unfortunately the team came up short, but the girls should be proud of their efforts. They were a great group of girls and it was a pleasure to coach them. The grade 12 players will be deeply missed and we wish them all the best as they embark on their new journeys outside of high school.

# *Junior* Basketball

Wow!! What a season! As we began the 2009/10 season with big wins, it was very clear that this was a team with a lot of ability and talent. MEL's junior's participated in 3 tournament:

Winners of the consolation final at Queen Elizabeth

Bronze at Bev Facey tournament  
Silver at our very own tournament.

Finishing fifth overall (of the 13 teams), MEL junior men's team put on very impressive performances against Harry Ainlay, Ross Sheppard and Jasper Place.

The Senior Mens Soccer team had a very successful season. The team finished fourth in League play, having conceded only one loss. As the fourth place finisher we faced the heavily favorite

and undefeated Jasper Place team. A semifinal worth remembering as the teams went into penalty shots and LaZerte knocked them off. In the final it has a tough battle and unfortunately our

VG's did not get the final win. As a finalist the coaches considered this season to have been one of the most successful ones in the the past several years

# Mens Rugby

The swim team had an awesome season this year. The dedication and sense of integrity that these M.E. LaZerte swimmers posses have clearly been demonstrated through their relentless training, and their constant desire to always perform at their personal best. The excellent work ethics of these team members have been a crucial asset to the team's incredible achievements at city finals: becoming the Tier Two Champions for the 2nd consecutive year.

Another important contributing factor to the team success would be the swimmers passionate and supportive attitude towards all of their team mates. The encouragement that was provided during every practise, as well as competitions, gave swimmers the mental strength when it was needed. This optimistic and positive team spirit have developed strong friendship bonds amongst each swimmer, creating an enjoyable team environment and an unforgettable swim season.

Of course the swim season is never complete without the annual year end water polo match! And we can't forget the traditional full contact musical chairs either.

Good work M.E. LaZerte Swim team.

A special thanks goes out to the coaches, for providing students with this amazing opportunity.

The indoor season was an excellent experience for all involved. We won more games than we lost, and we lost a one goal game in the playoffs. We had some injuries, some emotional highs and lows but all in all it was a great time for everyone, including the coaches. "Character is not revealed when one wins but when one loses." Our team showed a lot of character and dedication this year and the coaches are very proud of all of the players. Go VG's!!!!

## Abdilahi Osman Abdullahi

It's been a fun three years. I met a lot of people and had a lot of fun 'wink'. The teachers were cool. But my only regret was missing the chance I got and letting them pass by, hopefully they'll come by later on in the future. Grad 2010 baby!!

## Abdulmajid Mohamed Ahmed

I would like to thank Allah for helping me through these three amazing years. I would like to thank my family, teachers and friends. If you want to remember me, look in the dictionary, under greatness. Have a wonderful life, 2010 grads

## Russe Karim Al Ghanim

When it comes to achieving goals one must continuously strive. If you can't run, then walk. If you can't walk, then crawl. If you can't crawl, then, by all means, just keep moving. Have faith in Allah. Hamdillah. Ps R squared I'll never square root you!

## Lubna Al-Hossainy

I have learnt countless lessons in my three years of highschool. These lessons will remain with me for many years to come. As I grow to understand life less and less but I learn to love it more and more. May I be granted patience through everything, inshallah.

## Naaila Ali

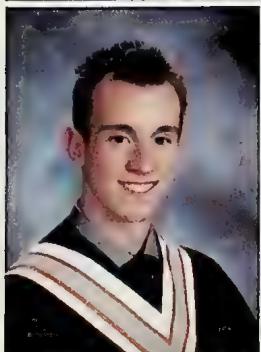

I would like to thank Allah (S.W.T) for his guidance, my parents for their love and support and my friends for reminding me to smile even when the times were hard. "Do not go where the path may lead, go instead where there is no path and leave a trail"

## Tanya Danielle Alkais

Truly great friends are hard to find, difficult to leave and impossible to forget. SNT- Forever&Always <3

## Scott Edward Allen

I will never forget my team and people who made my year. SAEG MRFS and the rest of my team members and class of 2010. Unforgettable year. football, basketball and soccer made my year-D. Mr. Iyan made me appreciate the halfback spot in football.

## Turiya Anwar

I've always been told to be happy with what I have. But I know there's more out there, and there's no reason why I shouldn't have it.

## Omar Araji

Props up to all my zgerits and zgerettes Love you amma25, hajj househ, ace man, al krudy, juice monkey, bilo. I BOSS OF ALL BOSSSES

## Jaskirn Aujla

"Laughter is timeless, imagination has no age, & dreams are forever." Here's to an amazing 3 years filled with fun & incredible memories. It wouldn't have been possible without my friends & family by my side. Congratulations to the class of 2010, & good luck to you all! P.S. Love my army (J.A.)

## Nada Hatem Anwad

There is no easy walk to freedom anywhere, and many of us will have to pass through the valley of the shadow of death again and again before we reach the mountain top of our desires.

Love is patient and kind  
Love does not envy or boast  
It is not arrogant or rude  
It does not insist on its own way  
It is not irritable or resentful  
It does not rejoice at wrong,  
but rejoices with the truth.  
Love bears all things, believes  
all things, hopes all things,  
endures all things.  
Love never ends

# Commencement

Good evening families, friends, teachers and fellow graduates. I am greatly honoured to speak before all of you today on behalf of the graduating class of 2010. Today is a very special day. It is a day to celebrate our achievements, but also to reflect on our failures; it is a day to look forward to the future, but also a day to reflect on the past. Before I say anything else, I would like to extend my heartfelt gratitude to everyone who made it possible for us to be here today: the parents who constantly supported us, the friends who always stood by our side and the teachers here at M.E. Lazerte who gave us the skills to succeed. Without all of you, we would not be here today.

These last three years have been filled with trials and challenges. Indeed, for me this last year has been like trying to fulfill one of Stalin's Five-Year Plans. However, these same years have also been filled with successes and joys, and it is because of the trials that we faced that these joys become so much more significant and so much more memorable.

Life is like the weather; it is unpredictable. The storm may arrive at any moment. We never know when an accident may occur or when friendships may falter. Therefore, I encourage all of us to take advantage of each and every day. Live every day to its fullest, cherish every memory, for life is unpredictable and you never know what may happen.

There is one of my favourite quotes that I would like to share with all of you: "Life's but a walking shadow, a poor player that struts and frets his hour upon the stage, and then is heard no more." This quote, from Act V Scene V of William Shakespeare's *Macbeth*, describes the meaninglessness and fleeting nature of life. Why then, you may ask, am I telling all of you this quote? And the answer is this: because life is but a walking shadow, we must make our hour upon the stage as memorable as possible, so that when we leave the stage our performance will be remembered both by ourselves and by the audience.

Surprisingly, this fits in especially well with this year's grad theme—the Cirque du Soleil. As we walk across the stage tonight as a graduate and as an actor or actress in the Cirque du Soleil, I encourage all of us to cherish our time on the stage. This stage is symbolic of our life, and just as our life is entirely our own, so is our time upon this stage entirely our own.

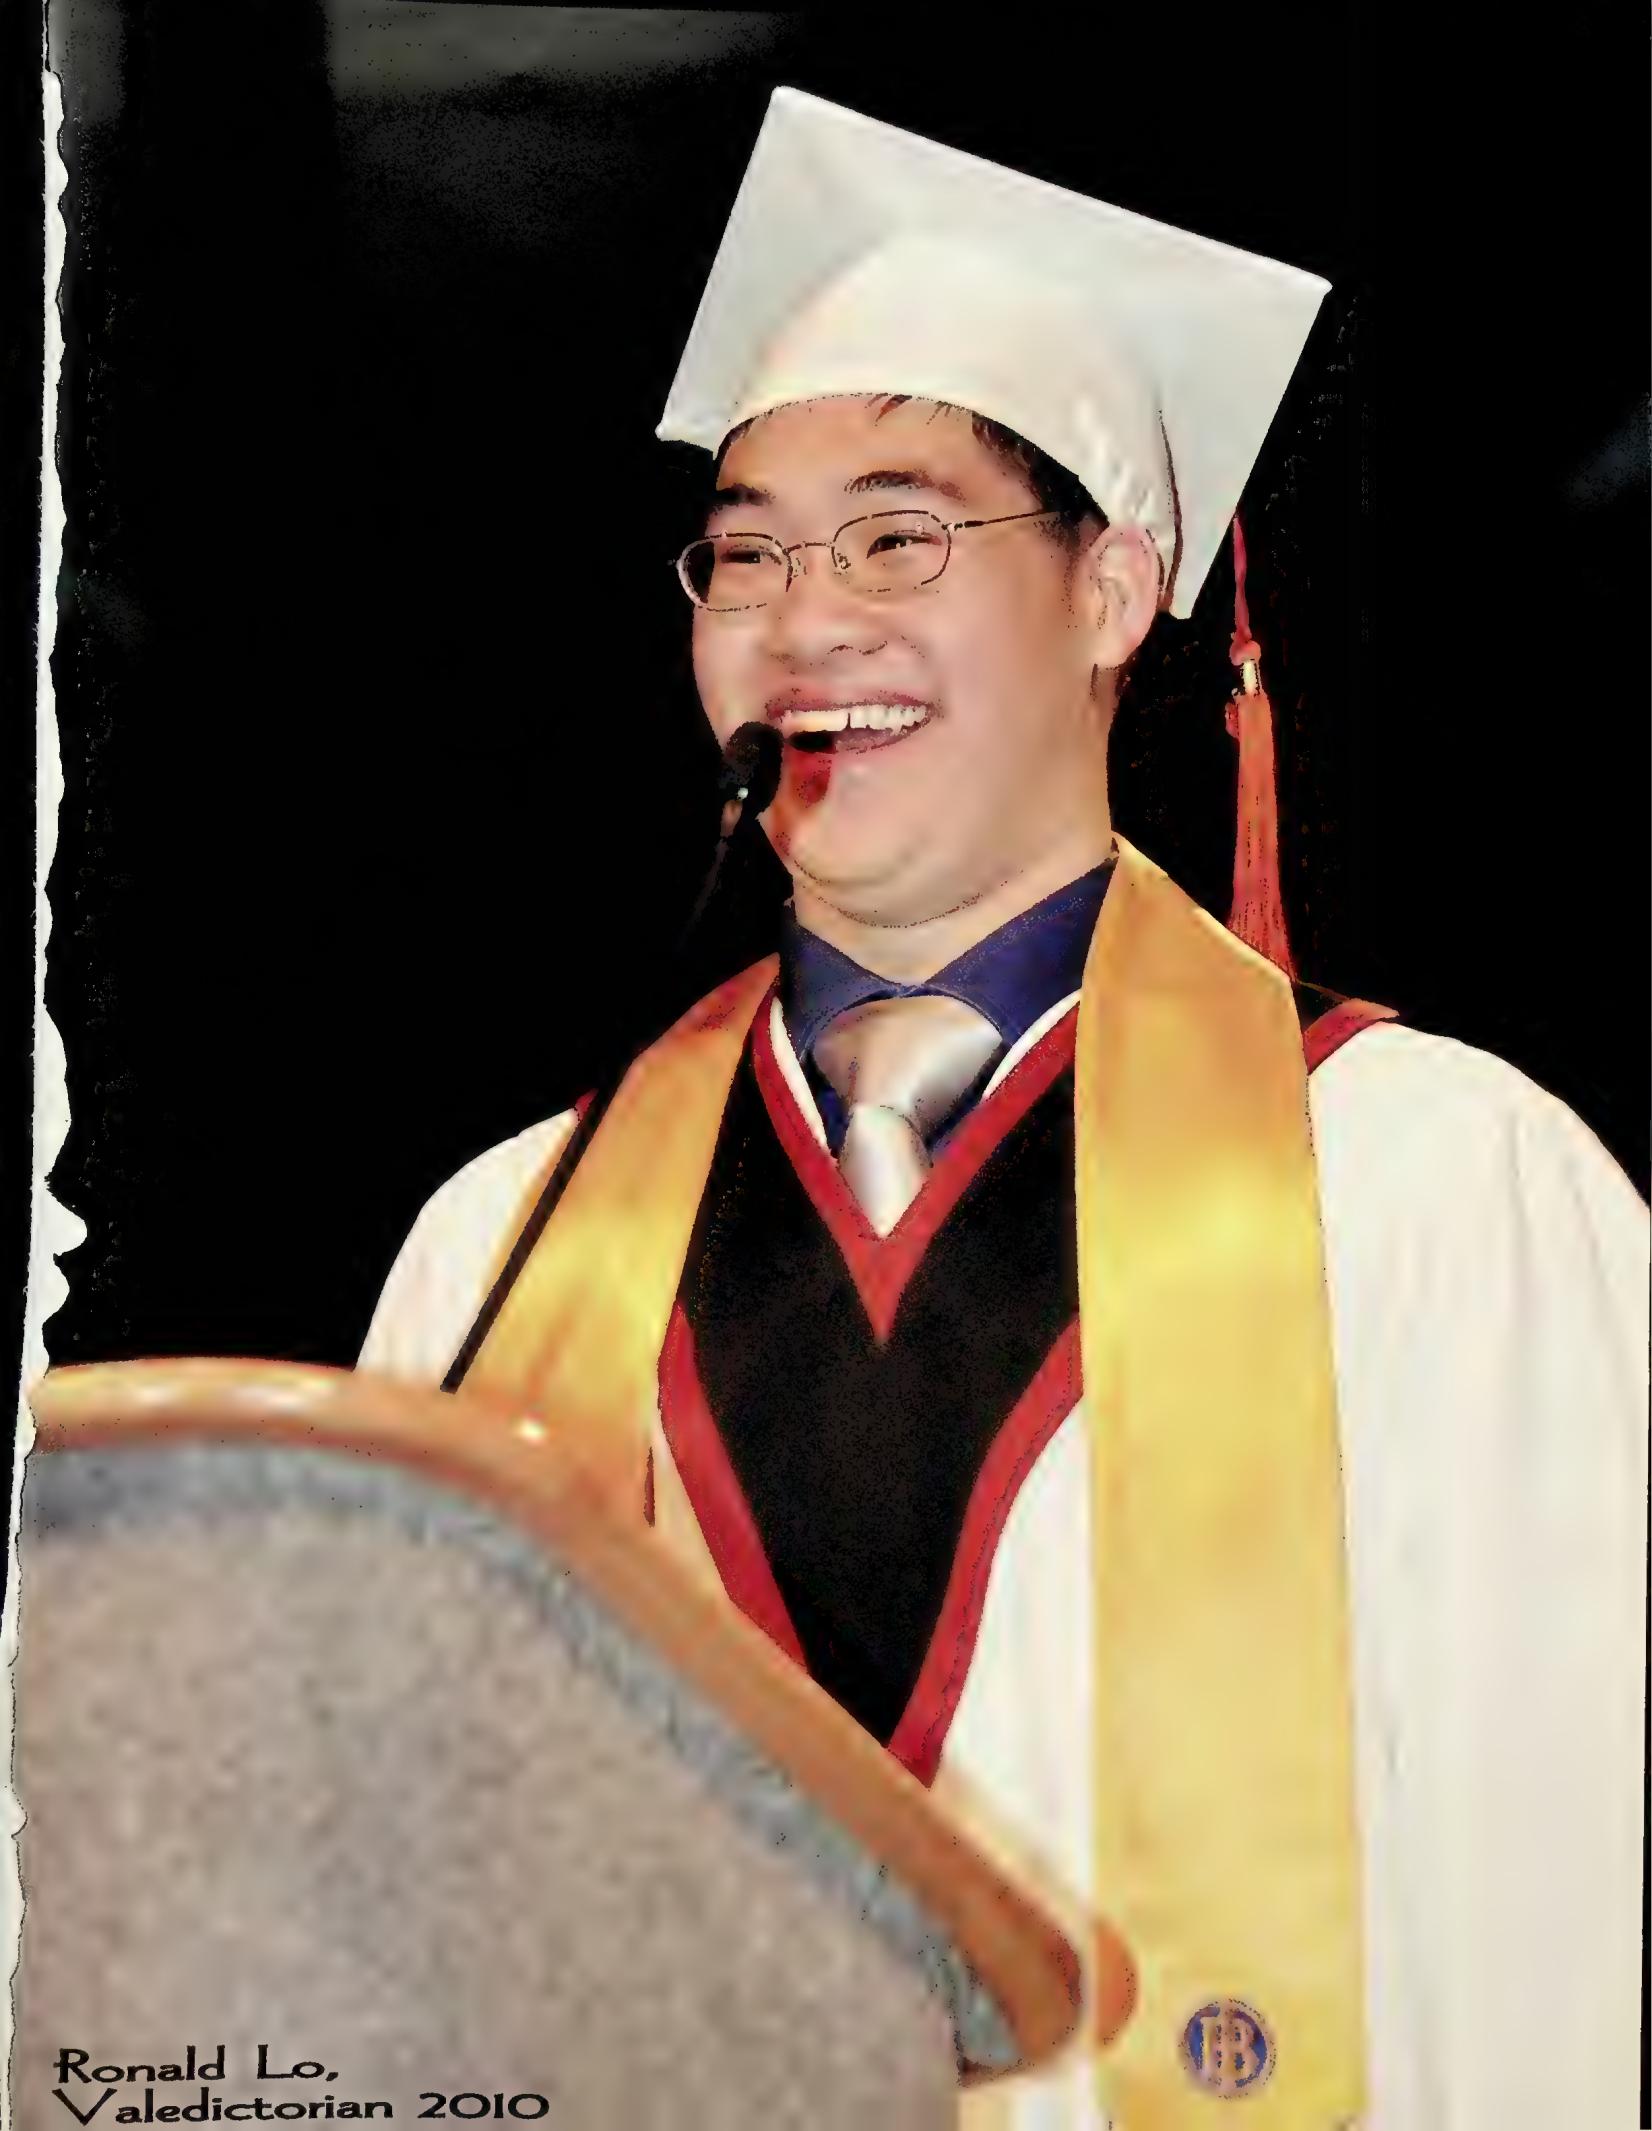

Now, back to the quote, I encourage all of us to make our time upon the stage as memorable as possible, to make the most out of every day. Strive for your goals and your dreams—the perfect performance. And as we leave high school for the future, remember that your life is yours and entirely yours; no one can choose or control the path you take, because you are always ultimately in control of the final decision. As I said earlier, life is unpredictable. Along the way to our dreams we will undoubtedly encounter many unforeseen difficulties and obstacles, and though these may divert or change our path, we must never stop striving for that memorable performance. And in the end, the difficulties will always make the achievement even more fulfilling, so that in the future when we reflect on the past we can say we have succeeded."

Lastly, before we leave for our futures, I would like to commend the success of our graduates. We have faced many obstacles to arrive at the point we are now, and though there shall be many more to come in the future, let us celebrate our achievement and hard work during this act of our performance. I wish all of you the best in the coming diploma exams and in all your future endeavours.

Here's to the class of 2010!

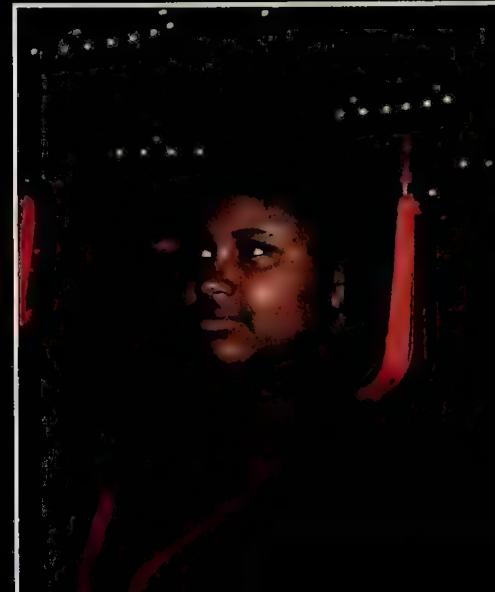

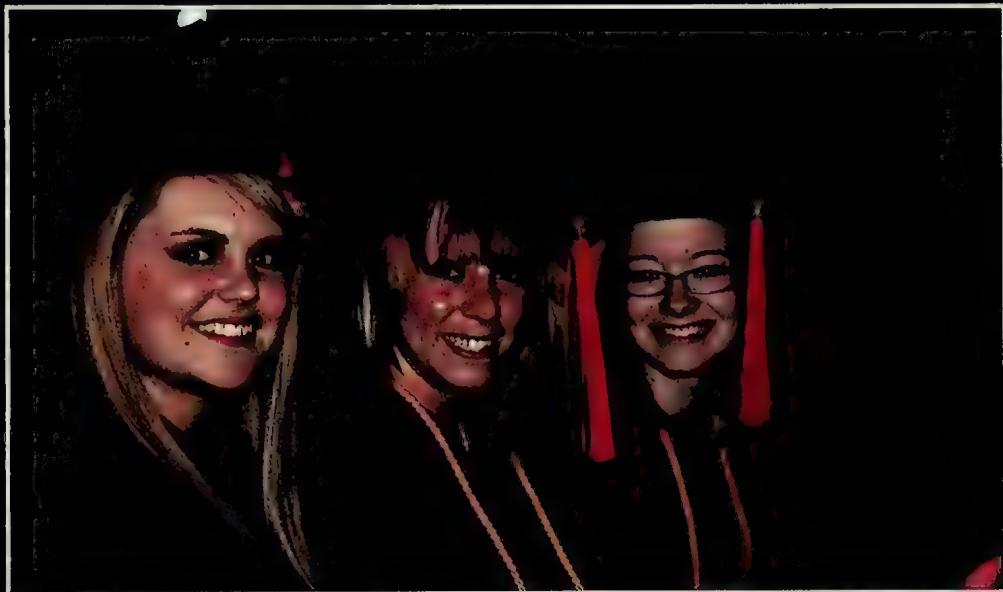

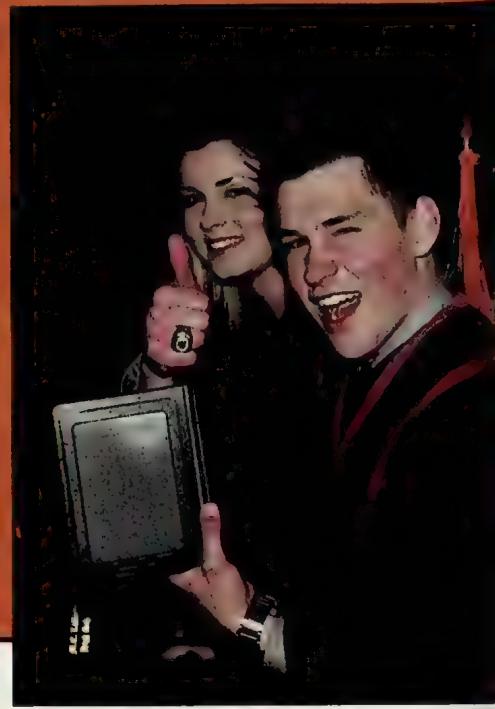

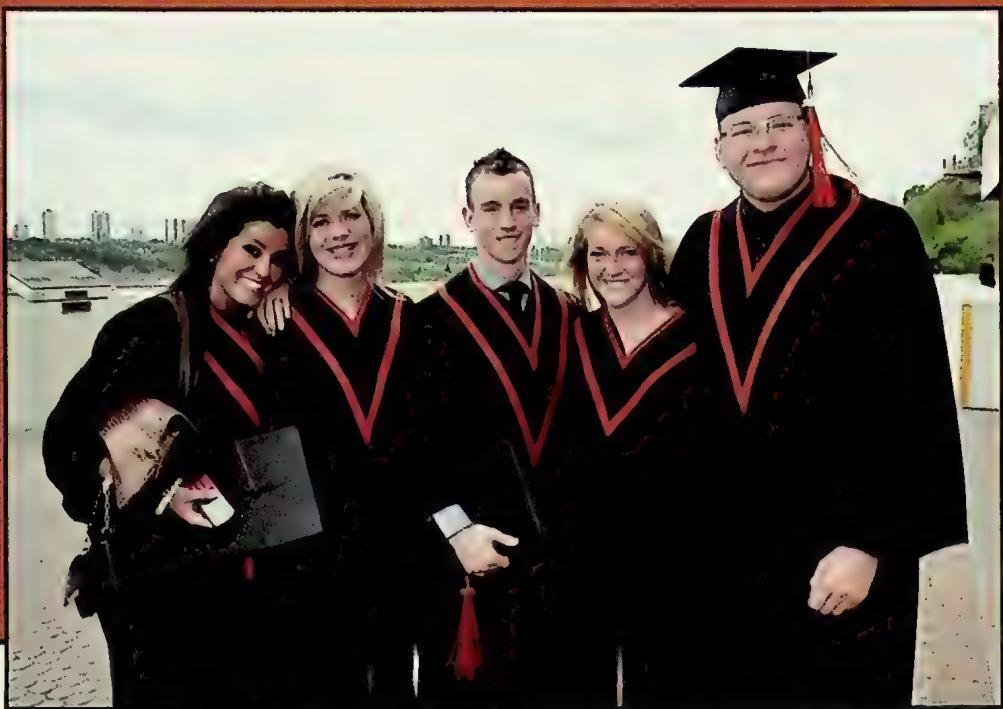

Thank you, good luck, and have a wonderful evening.

*Be yours...*

Our parents have given us guidance and have provided for us throughout our entire lives. They have helped us through the best and the worst of situations, taken us to school, encouraged us to do our best and be the best person that we can be; and finally after all the years with our parents help and support we reach the point of graduation. Graduation is the time in our lives when we no longer have the ability to rely on our parents for support, but have to venture out into the world to discover and experience things for ourselves. We will always have our parents to help us, but they have now given us the chance to guide our own lives.

*forever.*

# Take a bow

"Creating a great show takes great commitment, skill, and flexibility. After over a year of auditions, casting calls, training, dress rehearsals, and technical difficulties, the Greatest Show on Earth went off without a hitch. The lead performers normally get credit for the performance of the year, but it's the people behind the scenes that do the grueling work that makes the show a great success. Special thanks are in order for the camera crew and the editors, who behind the scenes, comprised the success that was the Greatest Show on Earth. Thank you to the Yearbook Staff: Katrina Malone, Hailey Bacha, Ryan Satyabarata, and Mr. Candido."

- Rachelia Pawluk and Nicole Wee, Editors in Chief.
